8. **When will I know if I get selected as an HACEMOS Scholarship recipient?** It takes about a month or two to review and evaluate the large number of applications received. The selection committee takes time to carefully review each application. Scholarship recipients will be notified in July via email.

After the application is successfully submitted, no further additions or changes can be made. HACEMOS will email acknowledgment of receipt of all submitted applications. If you don't receive an application submission confirmation email, check your SPAM inbox.

Not all applicants to the program will be selected as recipients. Students may reapply to the program each year they meet eligibility requirements.
